Free IP Workshop

Do you want to know more about Intellectual Property (IP) and its relevance to your business? Every business owns and uses IP, but how do you identify and protect it to maximise the value of your hard work in innovation and creativity through patents, trade marks and designs?

On 19 July 2012 UDL Cardiff are holding a **free** lunchtime IP workshop for local businesses, starting at 1pm.

To book your place please contact Michelle Ward on 029 2064 2150 or mww@udl.co.uk.
