

Free IP Workshops

Thursday 21 February 2013
Wednesday 17 April 2013

Do you want to know more about Intellectual Property (IP) and its relevance to your business? Every business owns and uses IP, but how do you identify and protect it to maximise the value of your hard work in innovation and creativity through patents, trade marks and designs?

UDL Cardiff have added two new dates to their series of popular lunchtime IP workshops, starting at 1pm, light lunch included.

To book your place please contact Michelle Ward on 029 2064 2150 or mww@udl.co.uk.
