BIVDA: The Voice of Industry

Barbara Fallowfield

BIVDA

Diagnostics; making a difference

Representing Industry

- Government
- Professional bodies
- EDMA
- Advanced DX
- IVD Australia

BIVDA

Diagnostics; making a difference

Working Together

- LifeSciences UK
 - ❖ BIVDA, ABPI, BIA, ABHI
- Med Tech Forum
 - ❖ BIVDA, ABHI, Barema, Gambica, AXrEM, BHTA, BDIA, SDMA, AHMPA

BIVDA

Diagnostics; making a difference

Facts and Figures

- Created in 1992
- Represents >95% of industry nationally
- ~150 member organisations
- >8,000 employees
- Clinical sales ~£900m in 2014
- Largest single sector in med tech for exports

BIVDA

Diagnostics; making a difference

BIVDA Focus

- Regulation

- Procurement

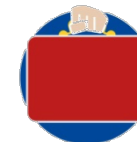

BIVDA

Diagnostics; making a difference

BIVDA Focus

- Stratified Medicine
- Point of Care
- Digital Pathology
- Export
- External Affairs
- Diabetes
- Market Dynamics

BIVDA

Diagnostics; making a difference

BIVDA Focus

- Antimicrobial Resistance
- Funding for molecular diagnostics

BIVDA

Diagnostics; making a difference

External Focus

- Wide range of stakeholder organisations

Office for
Life Sciences

Innovate UK
Technology Strategy Board

BIS | Department for Business
Innovation & Skills

MediWales

BIVDA

Diagnostics; making a difference

IVD Diagnostics

- Enable diagnosis
- Rule out conditions
- Selection of drug therapies
- Monitor patient response
- Manage disease
- Screening

BIVDA

Diagnostics; making a difference

Landscape Changes

- NICE DAP
- NIHR Diagnostic Evidence Co-operatives
- Precision Medicine Catapult
- Pathology Nodes

BIVDA

Diagnostics; making a difference

Challenges

- Regulatory
- Financial

BIVDA: External Affairs

Rebecca Bellars

BIVDA

Diagnostics; making a difference

Frustrations

- Amazing time for people in the UK to be working in the IVD industry or in pathology
- Laboratory medicine (including point of care testing) has ability to significantly alter outcomes and allow better utilisation of resource
- Never been more initiatives to allow this but barriers to adoption remain

BIVDA

Diagnostics; making a difference

BIVDA Manifesto

- Adoption of Innovation
- Doing Business with the NHS
- Safety and Quality
- Antimicrobial Resistance

BIVDA

Diagnostics; making a difference

All Party Parliamentary Groups

Life Sciences UK: APPG for Life Sciences

- Chair: Kit Malthouse MP
- Vice Chair: Lord Drayson
- To facilitate discussion and awareness raising of the contribution the Life Sciences industry makes to the UK economy both inside and outside of Parliament

Parliamentary and Scientific Committee (APPG)

- Doris-Ann Williams MBE – Vice President
- Stephen Metcalfe MP – Chair

BIVDA

Diagnostics; making a difference

Boards and External Engagement

- The Longitude Prize
- PharmacoGenetics UK
- MMTSG
- NICE
- The NIC Board
- Innovate UK
- AHSNs – Commercial Partner
- UK Diagnostics Forum
- DECes

BIVDA

Diagnostics; making a difference
