DAY 2: WEDNESDAY 25th MAY 2016

Time: 9.00am registration for 9.30am start.
Finish 2.00pm

Themes

- Pitch Perfect - Showcasing Innovation
- A Glimpse into the Future

Optional Site Tour

Discover: The James Hutton Institute and Axis Shield Diagnostics

Time: 1.40pm pick up time for 2pm start.
Finish 3.45pm

BioDundee in partnership with the The James Hutton Institute and Axis Shield Diagnostics are giving you the opportunity to have a tour of their sites.

The James Hutton Institute is an international research centre based in Scotland. The work conducted is at the top of the global agenda and involves tackling some of the world's most challenging problems including the impact of climate change and threats to food and water security.

At Axis-Shield, innovation is fundamental to business. Their expertise encompasses the development of novel proprietary diagnostic tests in areas of clinical need and their incorporation onto the menus of the high throughput analysers of the leading diagnostic companies, using a variety of assay technologies. They specialise in unique markers for the early diagnosis and management of critical illnesses.

1.40pm - Transport will arrive to pick you up from the West Park Conference Centre

2.00pm - Tour of the James Hutton Institute

2.40pm - Transport will arrive to pick you up from the James Hutton Institute

2.50pm - Tour of Axis Shield Diagnostics

3.30pm - Transport will arrive to pick you up from Axis Shield Diagnostics and return to the Conference venue

PITCH PERFECT: SHOWCASING INNOVATION

As part of the conference there will be opportunities to participate in company showcases. These short pitches by innovative companies and organisations will highlight some of the excellent life science activity taking place across Scotland and the UK.

EXHIBITION

An exhibition will run during all the breaks of the conference and during registration.

Registration for the conference is now open:

Early Bird Rate

£150 +VAT (Available until Friday 26th February and NOT inclusive of Wine Reception & Gala Dinner)

Standard Rate

£200 +VAT (NOT inclusive of Wine Reception & Gala Dinner)

Wine Reception & Gala Dinner £40 + VAT

The BioDundee 2016 conference will focus on 'Life Sciences & Healthcare: Enterprising Business and Research'. Speakers will present and discuss the big issues of the day and will showcase Scotland's expertise in the Life Sciences and Healthcare sectors, as well as offering a unique opportunity to learn and network in one of Scotland's cities which is undergoing major transformation – Dundee.
