Postgraduate Information Fair at the Medical School

Saturday 23rd April, 10am -12pm

Swansea University Medical School, Singleton Park, SA2 8PP

Did you know that Swansea University Medical School has a range of taught and research programmes across medicine, health, life science and chemistry?

With part-time options available our programmes are flexible enough to fit in around your working hours. **Interested?** Come and join us at the Medical School on **Saturday 23rd April, 10am** where you will have the opportunity to meet some of our programme representatives and current students.

To find out more information on the programmes we have on offer visit our website:
www.swansea.ac.uk/medicine

Our most popular programmes include:

Applied Analytical Science (LCMS)

Autism and Related Conditions

Health Data Science

Education for Health Professions

Health Informatics

Leadership for the Health Professions

Medical Radiation Physics

Medicine and Life Sciences

Nanomedicine

DProf/MPhil Research in Health Professions Education

Trauma Surgery

We also have research opportunities that align with the school research strengths in Biomarkers and Genes, Devices, Microbes and Immunity and Patient and Population Health and Informatics.

To secure your place at the Fair simply book here: <http://bit.ly/PostGradFair2016>
