

MEDIWALES connects

NHS Collaboration Conference
CELEBRATING CLINICAL PROGRESS AND INNOVATION

Mercure Holland House Hotel
Cardiff • 6 July • 2016

Keynote Address:

Andrew Goodall

Director General, Department for Health and Social
Services and Chief Executive **NHS Wales**

1 DAY CONFERENCE • PRESENTATIONS • EXHIBITION • WORKSHOPS • CPD CERTIFICATION

The Welsh NHS:

Connecting clinical teams

Clinical, care and research
communities meet to share
in celebration of innovation
and collaboration

The first of its kind in Wales, this event offers:

Presentations from two parallel streams -

- **Clinical practice and leadership showcase:**

Highlighting forward thinking and the evolution of healthcare - presentations from health boards and trusts sharing new developments in research and patient care, as well as stories of innovation driven by industry and NHS partnership.

- **Collaboration showcase connecting clinical teams:**

Demonstrating how collaboration leads to change - exploring successful NHS and industry projects, showcasing progression and best practice within health and care delivery and collaborative working between the health boards and trusts.

Feature zones - Exhibition, technology demonstrations and innovations that are transforming patient care.

Seminars - Interactive training workshops, celebrating and sharing success as well as exploring issues and challenges.

Industry workshops - Company led training and skills sessions.
