

Creating space for fresh thinking
& conversations that matter

*"...Where is the life we
have lost in living?"*

*Where is the WISDOM we
have lost in knowledge?*

*Where is the
KNOWLEDGE we have
lost in INFORMATION?..."*

THINK

1. What have you heard today that has sparked your interest or curiosity?
2. How might it help take your work forward?

LISTEN

In pairs take turns to share your answers:

1. **INTEREST:** What have you heard today that has sparked your interest or curiosity?
2. **INSIGHT:** How might it help take your work forward?
