Technical specs

Material required

- We require the advert to be saved as a Press-Quality PDF
- Ensure all pictures/logos are high resolution and CMYK format
- All fonts must be embedded
- The PDF can be sent via email to lee@teamworkdesign.com

It is important to leave at least a 10mm text/image clearance on both left and right hand edges of an advert in order to ensure that those edges are not lost into the spine or cropped during binding. LifeStories cannot accept responsibility if adverts are not supplied with the correct clearance.

In-house design

- LifeStories has a highly experienced graphics department which offers an advertising design service.
- Competitive rates are available for advert design, commensurate with the level of creativity required to meet your advertising expectations.
- You will need to provide images, a logo, and text.
